Yes, let us keep Mount Snowden  
in possession of we Welsh!

Sorry this check can't be of a larger  
amount — but it might help  
a little.

The Kinross article was great.

Best wishes

Dear Mr. Williams:

I am pleased to enclose a small donation toward the purchase of the property on Mount Snowden. If I infer correctly, this donation is in addition to the \$1,000 pledged by the WNGGA at the trustees' meeting in Columbus. If this is not correct, please advise.

Thank you very much.

Enclosed is my own personal check toward this important Appeal.

The Board of NWAFF is scheduled to meet on October 24 and at that time we will determine our level of giving to this Appeal. In Columbus when we met it was decided to wait to see what the WNGGA would be contributing. I see the amount is \$1,000.00. Although I am unable to speak for all of our Directors, I would hope our contribution would be nothing less than \$1,000.00.

I realize that time is of the essence and we will certainly get our contribution to you by the October 31 deadline.

Your personal efforts to assistance in this worthwhile endeavor are appreciated by all of us.

Very truly yours,

*Warren E. Watkins*
