Dear Nelson,

With regard to the conversation we had on the phone the other day, I wanted to inform you officially of changes in the officers of WAY. Caroline Kearney has taken up the position of WAY president. In that capacity, she will coordinate WAY activities at the National and will be WAY's representative to the WNGGA. As for myself, I will continue as the WAY treasurer. I hope this clears up matters. I think this will be a good arrangement all around as Caroline knows WAY and has a great deal of enthusiasm. If you have any other questions, feel free to let me know.

John D. Lloyd

WAY, treasurer
