Dear Mr Meadows,

I do hope this letter will reach you, & excuse me, if I am out of order in writing. But I just had to express my feelings on how delighted we were, to read your charming letter in the Cardiff Western Mail.

Oh how proud to know your gratitude towards all those who made your visit here a success.

We think in a humble way, that it is you people 'over there' that brings home to us the wonders of our Wales and its people, which we seem to take for granted, we wish to extend our heart-

- felt thanks too. My husband was
lucky enough to hear your wonderful
Singing at the Sophia Gardens, I also
watched on T.V. I can assure you we
were moved to tears with the glorious
Singing, which would give any exile
a nostalgia for "Home" where ever they
may be. I profoundly hope
that one day in the near future you
will make a return visit, always
to find the love and hospitality
that is for ever here awaiting you
and all your members so as once
again we that are here will hear
your wonderful Singing and Sincere
friendliness.

Yehitahone.

Ellen Edwards (Mrs).

P.S. Our profound wishes that your
loved ones etc, are all safe & well,
heard of the awful weather disaster which
struck Ohio, on T. V.
