

THE NATIONAL GYMANFA GANU ASSOCIATION OF THE UNITED STATES & CANADA.

January 29, 1965

Dear Friends:

In the year 1945 when the Annual National Gymanfa Ganu was cancelled to comply with the Government's call to curtail travelling, the writer suggested to the then National President, Mr. Henry T. Jones, that we invite all friends of the Gymanfa Ganu to select what they consider to be the fourteen (14) most popular hymn tunes for a Gymanfa Ganu session. Mr. Jones readily agreed, instructed the Secretary to conduct the ballot. Nearly two hundred ballots were returned from individual and from Societies.
