Dear Jack:

813-598-9751

Enclosed find a copy of a letter which I have just received from Mr. H.B. Powell of "Y DRYCH". Concerning the last paragraph I have written to him, telling him that I have enclosed you a copy of his letter, and which you might care to reply concerning the hymnals. Concerning his plea for advertising, I have also told him to repeat the advertisement issued in "Y DRYCH" of last February edition, extending Saint David's Day Greetings. Have you any ideas re any advertising for the 1974 Swansea Gymanfa? I hope to leave for Florida next month, I have been invited by The Saint David's Society of Saint Petersburg, to be the Guest of Honour at their Saint David's Day Dinner, which incidently will be held in The Princess Martha Hotel, where I will be staying, so it all fits in very well. My only problem, will be how to get to Florida, as I would like to motor, but I hear the gasolene situation in the USA. is very uncertain. Fortunately, in Montreal, there is at present no apparent shortage, the cost is 64 cents Imperial gallon for the regular brand. By the end of the month, I will have to play it by ear and make up my mind, air or car. Hope that all is well with you, and next week, I will give you a telephone call, in case there are any matters which will require voice to voice discussion.

Regards,

Owen C. Roberts, President.

Dear Mr. Roberts:

In our January issue now in preparation, we shall begin to use advance advertising copy and new stories on plans for Saint David's day events for 1974 across the country.

Do you have any observances planned in Canada that you will wish to have advertised in this issue, either for the WNGGA or other organizations? Or any other special displays, either for the WNGGA, or the WNGGA Regional Gymanfa to be held in Cleveland later in the year while some American Welsh are in Swansea, or for the 1974 Wales Gymanfa Ganu to be held in Wales, or any other WNGGA advertising?

We used to run WNGGA sponsored advertising rather regularly at one time relating to the availability and cost of the National Gymanfa Ganu hymnals. This was handled, I think by Mr. George Bundy during his active secretaryship of the WNGGA. We receive many queries about the hymnals and other things supplied by the WNGGA which we cannot answer from here. At the moment, we have an order for 100 of these hymnals. I do not know how to respond or what name to send to the would-be buyer. I have heard some comments also about a new revision of the hymnal coming out soon. Happy new Year

Sincerely,
 Horace B. Powell,

Dear Jack:

I am enclosing you a copy of a letter which I have just received from Mr. Cyril Rees, the Secretary of the '74 Gymanfa Ganu of Swansea, extending sympathy to all the members and Officers on the very recent death of our esteemed late Immediate Past President Emlyn Lloyd. I am also enclosing a copy of this letter to our Vice-President, Gywn Parri of Milwaukee.

Needless to say we are all going to miss Emlyn, especially myself, as he was of great help to me in both his advice and encouragement. I wrote a card and letter of sympathy to Mrs. Lloyd immediately after your telephone call to me in Florida, and I thank you for your promptness in tracing to Florida.

I enjoyed my visit to Saint Petersburg, The attendance was much reduced at the Dinner, on account of the gasoline shortage, as many people used to come from as far away as Daytona Beach, I would estimate they had around 200 present. I hope that your celebration in Youngstown went off well. I had our Trustee Obie Cobley stand up and be identified at the dinner, also I visited former trustee Mary Samuels a few times, and find her much improved. I will give you a telephone call next week, to see how you are and if there are any problems that need voice to voice discussion. Regards to you, from

Dear Jack:

I suppose by now that you are settled after our very pleasant trip to New York City. I spent an extra day with my friends in Baltimore, it was a very long drive back to Montreal 647 miles. I have been busy writing all the necessary thank you letters, I wrote to the Hotel, Messrs. Greenway and Jones, thanking them for all the hospitality. I feel sure that next year of 1975, the New York sponsors will have an outstanding Gymanfa Ganu, I only hope that the people will come and attend.

As you requested, I have written the letter for the Cleveland programme, it has 176 words, also I am enclosing you a recent picture of myself. I have also sent a similar letter and picture to Swansea. and my next project will be to prepare the Toast to Wales. My plans call for me to arrive in Swansea on Tuesday, July 30th. I will be in The Cumberland Hotel, London, July 28 and 29, prior to my departure via train to Swansea. This is about all my news, and in closing thank you for making all the necessary arrangements for the inspection trip to New York. Reagrds from

Dear Miss Dodd:

Please accept my thanks for sending the Gymanfa Report. You did a wonderful job in reporting and transcribing and then to prepare the copies. I hope each of the trustees appreciates what you have done.

The Canadians amaze me. They constitute a small segment of our membership and their leaders know they are outvoted and yet they act as though they were the policy makers. Practically all our troubles originate with them, but they persist. I have heard that they quarrel among themselves. If they keep up like this, some one is going to suggest that they form their own National Gymanfa and do their own fighting there.

Mrs. Haddock and I were sorry to miss the Toronto and Swansea gatherings. We are glad that our son was at Toronto and hopes to be at Cleveland with us. He was married in Hawaii recently. His first wife died in 1972. They live in New Jersey. I am completely well now.

Cordially,

Ben Haddock.

Dear Jack:

It was good to hear your voice, and also to hear about the balance of your trip. First of all, I am very short of stationery, could you possibly rush me some sheets. I am enclosing you some letters for your attention, the letter from Philadelphia I feel should be in your files, the telegram from Wales has been answered, The letter from the Royal Welsh Society, use your own judgment. I had many other letters of appeal sent to me by various organizations in Wales for appeals, which I have placed in my files.

I was very sorry to hear about David Edwards, I had intended to write him about the Advertisement I placed in Y DRYCH, telling him that I am paying the \$35.00 bill for that advertisement, I will write and send him a get well card, and likewise for our recording secretary Catherine Dodd. After our conversation, I telephoned our Vice President Gwynn Parri, they have been home a week, and also have much correspondence and thank you letters to answer, so between the three of us, I hope that nobody will be overlooked. He also will be arriving in Cleveland, Thursday, October 10th, and as mentioned to you on the telephone, I will also plan to arrive on that date, but I will have over 600 miles to drive, so it will likely be around 6 P.M. if I am lucky and do not get held up in traffic. I will write and notify the hotel of my requirements of one single room. As mentioned, I will telephone you next Sunday, in case there will matters requiring verbal discussion. Dear Owen:

I have recently been approached by several interested persons who are concerned with the actions, if any, that are being taken by the special Committee which was re-activated in 1973 to deal with proposed changes to the Association's Constitution. You may recall that I wrote to you in connection with this several months ago.

I would be pleased if you could tell me if you have issued any directives to this Committee, or if the Secretary has issued any reminders to the Committee during the past twelve months.

I have been requested to solicit your reply prior to the National in October, and I would be pleased to receive your reply at your earliest convenience.

In conclusion, may I congratulate you on the excellent reports that I have received concerning the Swansea National. I shall look forward to hearing the details from you in Cleveland.

Dear Gwynn:

The sole governing body of the Welsh National Gymanfa Ganu Association is the Board of Trustees. The Board elects the officers and each officer is under its jurisdiction alone. The officers form the Executive Committee and should work together in harmony and cooperate in the best interest of the W.N.G.G.A.

For your information I am a certified accountant and auditor of long standing and have been Treasurer of many organizations and corporations for many years and have disbursed many millions of dollars under my signature.

We were really sorry to read your letter to Eluned with its insinuations and innuendos, as she has been an invaluable asset to the National through the years and is very knowledgeable in its affairs. She was very gracious in her reply to you and advised you of the correct procedure with reference to the minutes. You must have misunderstood Jack's report on the Graphotype because we did not pay anything out of the National.

Gwynn, let us forget whatever differences you may feel there are and work together for the advancement of the National Gymanfa.

May God's Grace and blessings be with you and Edna for a good Christmas.

Sincerely

David Edwards
