Dear Jack,

5/21/1975

Please mail these letters to the Ex-Officio Officers and Trustees, (as soon as possible)

I have mailed to President, Vice President and Treasurer as I have their addresses.

The financing of the New York ^{event} is vital to its success.

Their program is ambitious and innovative, needing financial and attendance support.

At this time two things are apparent (1) Donations are confined to a small number of people. (2) Attendance is confined to Aug 29th 30th & 31st of 1975.

This letter does not conflict in any way with W. N. G. Ann. Doc, policy, rather it helps it and

shows concern and assistance
for the sponsoring committee.

What we need is action
instead of procrastination,
frustration and eventual
stagnation.

Endorsement by the officers
would be helpful, delay
would be fatal to the whole
idea.

Advise as to mailing etc.

All the best,

Douglas.

Dear Jack, Re 1975 NY Synops Comm

Thanks for your prompt-
reply.

Yes I did send letters to
Gary, Edward & Dave along
the lines you suggested.

I put the same letter to
them as to be mailed out-
and a note urging each
of them to get the ball
rolling.

The authority is in the hands
of the officers of WNGC and due
my authority is simple to
promote and hopefully get
funds to assist our NY
Committee

I can assure you my appointment
as financial consultant (Interim)
is correct and conferred on
me by the Honorable Board

Speed of course is ~~essential~~ ^{Essential}
and I expect by now you
have other reactions, which
will come out right.

Enclosed is a copy of a
letter sent to Wales itself
which touches the points
important to our Welsh
cause here in North America.
My assignment will be
continued and stepped up
to 31st July 1975 via 7 Dych.
from publicity out of NY and
every available source known
to me.

Hope you are well and
sorry I didn't get a chance
to talk with you in NY also.

Best wishes,

Douglas.

Dear Jack:

Received your letter of the 29th only last evening - six days in the mail.

I assume that Douglas Jones was appointed by the New York Sponsoring Committee and I imagine that they can write letters of appeal to anyone they wish. On the other hand I am surprised that it should be thought necessary to send such a letter to the members of the Board of Trustees.

If it is the wish of the President that these letters go out from your office, I will go along with him.

All the best,

Eluned

Dear Doug.

Since the Articles of Incorporation are framed
 and under glass I have found it difficult to have a photo-
 stat made, and to take it apart would be quite a job, so I
 suggest that you write : Mr Ted Brown, secretary of State
 Columbus, Ohio.

The date of filing was July 31st 1951, #224127, under
 the name of The National Gymanfa Ganu Association of the U.S.
 & Canada Inc, it was amended March 14th 1972 recorded on roll
 B795 at frame 40.

Dear Jack

Its nice to hear from you and I
hope you are much better.

I am sure you enjoyed that
great gymnasium that we had in
New York City I sur did

Now as you say you dont
comprehend the request for Dag

dont remember the 1950 or the
1971 minutes. I sure dont know
what to advise you to do. I am

sure you will know what to do
If its not to much to have

Photostatic copies made why not
but seems like a too much of
job to me. I am sure you will
come up with the right thing to
do

Dear Jack:

received your letter this morning pertaining to minutes of previous years being sent to Mr Jones. I do not know any of the circumstances for this request but I don't think that minutes should be sent to anyone without permission of the full board etc, etc.

So my answer at this time would be no.

Sincerely,

Dear Jack,

I have your letter of September 26, 1975 and the enclosed copy of Douglas Jones' letter of 9-17-75.

Since I am a new member of the Trustees I am hesitant to comment on his letter as Mr. Jones talks of matters with which I am not familiar. It is curious, however, he asks for copies of specific Minutes and rather unusual; but as I say, I do not have the background knowledge to know why he would want these Minutes.

Sincerely,

Donna

Dear Jack:

Regarding Douglas Jones' wish for copies of the minutes of the annual meetings held in 1950, 1951, 1970, 1971 and 1972, I would suggest that you ask him what he is precisely looking for so that you might then send him a copy of the relevant page (●) or a typed "Extract" from the minutes of a certain meeting.

It seems to me that, if he has the interests of the WNGGA at heart as do you, he should disclose to you what exactly he is trying to check back on. You can best help him when you know what in fact he is after.

I am not particularly in favour of sending copies of the minutes of the annual meeting to any member but, if there is a specific request, then a copy or an extract might well be sent. Douglas know that the Trustees took notice of the material he submitted at New York and that John Roberts was appointed to follow through. Therefore, he should now tell you what he wants from the minutes and why - or he could ask John Roberts to check these matters out in his investigation.

Yours sincerely,

Vice-President.

Dear Sir, Re: copies of minutes of Annual
General Meetings 1950-1951 and 1952,
also Annual General Meetings
1970-1971 and 1972.

I would point out that I am a Past-
President of our organization, past
trustee and Life Member No. 559,
card duly signed by John G. Roberts
President and George Bundy Secretary
dated September 9th 1957.

The reason I am bringing this to your
attention is to point out that as a member
in good standing I am entitled to
request and receive copies of minutes
and documents which bear reference
to our organization and corporation.

In this particular case it bears reference
to our Articles of Incorporation.

I have a right to read the items
which led up to our articles of Incorporation
also the same right is being exercised
to read the minutes which led up to
change in our articles of Incorporation.

If you fail in this request it leaves
only one course of action and that
should be obvious, through a law-
suit being filed in the State of
Ohio to enforce disclosure of our
corporation records + minutes.

Yours truly,
Douglas Jones.

Dear madam President,

Re-illegal voting procedure's,
and other illegal practices
being perpetuated by the Welsh
national Gymnastfa Cwm Caeu Inc.

Further to my letter of early September
to you concerning the above I am more
than surprised that you have failed
to reply.

Silence sometimes indicates that
the matter is being attended to, or
it's more of the same old stuff.

I really want to believe that action
is in the works, but after speaking
with several trustee's I cannot find
anything has yet been done in a
possible direction.

During the next week I will be
moving in various directions across
Canada and U. S. A., and plan to get
face to face discussions with various
trustee's of the Caeu as to these matters.

you see I have a hard job trying
to believe that certain people will want
these matters investigated.

However I want you as President
to be aware that forces are at work
to bring about an end to the past
procedures (only those which are illegal
and a disadvantage to the Assoc, and its
membership) also to bring in sound
useful Rules and By Laws that will
serve all of us.

I am sorry to hear you are not
feeling well, but feel sure you will
be your usual self soon.

Please understand there is nothing
personal or vindictive being put
forward through you and this
fact had better be understood by
your executive.

There is one point I failed to put
forward and that is votes by mail
of trustee's are not permitted.
During sessions or Annual meetings
Executive Committee functions.
Yours truly, Douglas Jones.

Dear Jack:

I am just as disgusted as you must be with Douglas Jones. I am in favor of doing what the majority wants. Why he wants this I cannot guess.

Let us hope there are no more problems and that we can go to Philadelphia without anything disturbing you.

My next family celebration will be our sixtieth wedding anniversary in February. I hope I can survive until then.

Dear Jack:

in answer to your last letter pertaining to the problem of Mr Jones I am at a loss to know what this is all about however, I suggest that you go by the constitution and By-Laws of the Association Page 6 Paragraph 3 that the Executive Committee handle this situation.

I am not voting as I think this is the business of the above committee mentioned.

Hope you and yours are well,

Dear Jack Meadows:

I ~~have~~ have your letter and note its contents.

I am surprised to find that letter from Douglas Jones after many months passed is now requesting copies of minutes of B.O.T. meetings. I would like to believe there are no selfish motives in his request. However if my vote a "NO" will help you in getting rid of this "Whacky" business you have my vote and "Support".

I hope this finds you keeping well and dont work too hard.

Wishing you all the best and keep smiling:

Dear Jack

I regret the delay in replying to your communications. I have been away from home for a while. Having studied Douglas Jones' request I believe he is entitled to have copies of the minutes requested (not the original minutes of course) but that the cost of acquiring these copies should be borne by him. I would think that John Roberts would need copies also, so that he can examine the validity of Doug Jones case.

With very kindest regards

J Humphreys Jones

Dear Jack,

In answer to the two letters
concerning the material pertaining
to Douglas Jones. I cannot make
head nor tail of it and don't
understand what it is all about.
If you want a vote from me
just use your judgment and
give my vote the same as yours.
I cannot understand the man

and feel he is just a trouble maker,
therefore I discount that kind of
person in my book. Henry Pritchard
went over it all to gether and neither
of us could figure it out.

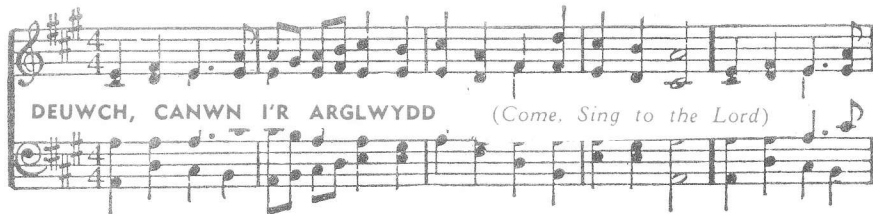

When would be the next best
chance you have of getting here
to discuss things. I think we should
wait until after Christmas?

Have written to Lyn Harry a
few weeks ago and have had
no response. We are constantly
working on this and that.

Sincerely
Ernie Griffith

Dear Mr. Meadows:

Re: Douglas Jones

Your request to the board of trustees for a vote on the relevant subject above is unnecessary as any qualified secretary should know.

We in the WNGGA operate under the RRO and parliamentary law covers such situations as pertain to the rights of members. Even if a vote were called for neither the executive board or the board of trustees would be advised of the majority opinion.

In the years that I have served on the executive board I have not been informed of a majority vote on any subject requiring a board decision so who's to tell what the decision would be?

Sincerely,

Gwynn J. Parri, President

P. S. I have no idea what Mr. Jones has in mind but he apparently is a member and in good standing.

board of trustees

Dear Jack,

Regarding Mr. Douglas Jones' letters of September 17 and October 6 of this year - I am curious as to what documentation John Roberts needs from Mr. Jones.

If the documentation is in our Articles of Incorporation and previous Minutes, I should think it would be much simpler for you to forward the information to Mr. Roberts rather than have you send copies of the Minutes and Articles of Incorporation to Douglas Jones, who in turn would forward the same to John Roberts.

Unless Mr. Jones can be more specific as to why he needs these papers I see no reason why you need to send them to him.

Sincerely,

Donna
