Dear Jack:

It was great to see you and your better half at Columbus on Sunday. Frank enjoyed the ride and service although he was really happy to climb into bed that night even though I did the driving. Each morning, he goes for therapy, and yesterday he went without crutches for the first time.

Would you please do us a favor? Please make out a bill for thirty new hymn books to:

Shadyside Presbyterian Church
● Westminster Place

Mark it "Paid by Mrs. Mary Jane Brown on October 11, 1979" This will help the paper work at the church and establish that the books are the property of Shadyside Presbyterian Church via a donation by MJB.

If you will please send this to me, I'll see that it gets to the proper person at church. DIOLCH YN FAWR!!!!

The other five for which I paid on October 11, 1979 have already gone to ministers and church organists, such as Dr. Holland and Jack Reece.

I would love to see Pittsburgh buy a large enough number of new hymn books so that we could use them exclusively. The committee put so much time and effort into this fine book that we all feel in the Brown family that it should be used.

The other bundle of 25 was indeed for the St. David's Society. Penny sold a dozen at the Tea after the Gymanfa, and Carnegie Library wants two copies. Since that leaves only eleven, I shall probably just send you the money for the whole bundle. I plan to use some for Christmas presents myself, and I feel confident that I'll have more requests from local people.

Have you had any trouble with the spiral binding? Frank had to fuss with one of the books in this regard.

Best Wishes to All,

Mary Jane Brown
