Annwyl Mr. Edwards:

Diolch o galon am eich cynorthwy.

NINNAU has ordered new stationary and my first letter on the elegant and colorful paper was going to be to you. However, I am leaving for Europe to morrow and I cannot delay any longer in expressing my gratitude and that of Jayne Pryddarch and, indeed, of all those associated with NINNAU, for the help we are receiving from the National.

I have, of course, fore most in mind the check for \$100.00 which you sent to Jayne on September 23rd. I also have in mind the tremendous work that the National is carrying out in North America to maintain and revitalize the Welsh traditions. The success was obvious in Ottawa.

Inspired by your example, NINNAU is also trying to help, and we hope that the coverage we give to your activities have a positive effect. We have publized the Gymanfa through the year and in our last issue we reported on the events in Ottawa. In the issue which is going to press now we are giving a full report on the annual meeting. Further, we are already working for the 1978 Gymanfa.

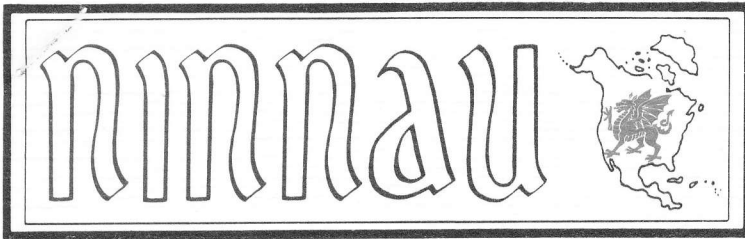

As we believe that NINNAU is read by many who have not been involved in the more traditional Welsh activities and even some who previously were not involved at all, we think that this coverage should result in increased participation, which will provide some of the fuel for the obvious renaissance in interest in things Welsh that is taking place in this Continent.

Support to the Gymanfa Ganu is an integral part of NINNAU's editorial policy and we look forward to a long and fruitfull association.

Yn ddiolchgar iawn

Annwyl Mr. Edwards:

I have been advised that the Board of Trustees Meeting of the Gymanfa held Saturday, September 2, 1978 voted unanimously to contribute \$100.00 to NINNAU.

This is the second time that that body extends this help which is most appreciated. The fact that you view our efforts as something of value is most encouraging and we will continue our efforts to publisize what we consider the premier Welsh-American institution.

The check should be made out to NINNAU PUBLICATIONS and should be sent to the address checked on the letterhead. I have also heard that in 1979 a third grant to NINNAU was approved by the Board of Trustees. Payment should be handled in the same manner.

I appreciate this opportunity of communicating with you and would like to extend my best wishes.

Yn ddiffuant,

Arturo L. Roberts

Dear Mr. Roberts:

Please excuse my lateness in answering your letter of the 13th ultimo, the first two months are busy ones for an accountant and I am also in the middle of quite a large financial affair.

Jack and myself talked of the gift but the recording secretary had no record in the minutes. I am enclosing a check anyhow for \$100.00. Also enclosed is my personal check for \$5.00 which is due next month.

Enclosed please find also an order for advertising our new hymnal, for one year, send invoice to me.

We had a fine St. David's banquet and good singing and the Scottish dancers, with 120 present.

Annwyl Mr. Edwards:

This is the second time that I find myself in the delightful obligation of thanking the Welsh National Gymanfa Ganu Ass. for their support. I have just received in the mail your check #372 dated March 6, 1980 for \$100.00.

This financial help is most appreciated for as you may know Ninnau is a publication subsidized by my personal finances and effort. Thus, any such contribution goes directly to reducing our loss. Although not specified by you I understand that this donation corresponds to the one voted on September 2, 1978 by the Board of Trustees meeting.

Your support will continue to inspire us in our work. We particularly hope to provide strong publicity to the Gymanfa to be held in Vancouver. Inasmuch as a good portion of our readership is in the east coast we hope our publicity will inspire many to take the transcontinental trek. We also plan to publisize the tapes recorded in Niagara and we are finally in receipt of your advertising order for the hymnals.

Diolch yn fawr iawn am eich cynorthwy.

Yn ddifffuant,

Arturo L. Roberts
