Dear Mrs. Williams:

Thank you for a most interesting letter of March 20, 1984.

I have taken care of your sons address change and forwarded to him the material included in the first mailing sent out recently.

It is very interesting to know that you are in fact in possession of the W. N. G. G. A. original mailing file. I would certainly agree with you that it should be preserved and deposited in some suitable place.

The first thing that came to mind was that my residence in Warren, Ohio is directly opposite the Public Library which is situated on the very spot where Mr. Bundy had last resided in Warren. I was just wondering if perhaps some consideration should be given to depositing the original mailing file in this library.

Another place which comes to mind is a mansion in Niles, Ohio, just five miles from Warren where "Bryn Hyfred" the home of the Niles Historical Society and at one time owned by Welsh Industrialists of the valley.

I would appreciate hearing more from you and possibly meeting you this summer sometime.

Also of great interest is your remark about being the past membership and mailing chairman under Mr. Bundy.

I look forward to further correspondence.

Sincerely,

Nelson L. Llewellyn
