Hi Ron,
Thanks for both of your emails. I must admit that I am rather green with envy. We are experiencing a very cold snap right now along with lots of snow and ice on the roads. I hope we have relief from this soon. Yes, Mary was most helpful and the choir members were very happy to receive their hymnals in time for St. David's Day. I have since then received a few more orders and have them listed below.

- Songs of the Dragon = 10 ✓
- Hymn Book in 8 1/2 X 11 size = 5 ✓
- Hymn Book in 6X9 size = 5 ✓

This sound do it Ron. If Mary could just send them along as she did last time. Will she need my Mastercard number again or can she use it from last time?
Thanks,
Susan

Hi Ron,
Thanks for your message. The order looks great. I'll call in my Mastercard number to Mary again. I have a question for you. In my thesis I would like to include some of the hymn arrangements from the Gymanfa Ganu hymnal. I know that at the Festival of Wales 2001 they acquired permission to print them in the program. Will this be necessary for my thesis? If so, do you know how I would go about doing this?
Thanks for your help Ron,
Susan
