Dear Gwen.

After a grand and glorious week end I hope your trip home was just as great.

In making inquiries at the Post Office as to charges in mailing hymnals to you, the cost would be \$4:52 per package, as against \$1:03 in the U.S. so, what I was wondering if there is some person close to the border that I could mail them to it would be a great saving.

Please let me know if I should mail the 150 to you as you suggested.

Dear Alice.

I was wondering if your committee had decided on your stationery needs, and the exact date of your first mailing.

As you know it takes a little time to get printing done, especially at the beginning of the year that's when all new orders come in, then there is the time it takes me to address the envelopes before you know it we are into February, then is the time it takes your committee to stuff them, so it could be well into March before your first mailing goes out.

If it is at all possible for you to get the above information to me as as your committee has decided please let me know.

Wishing every one happy holiday's.

Very sincerely yours

Dear Jack:

Many thanks for your letter, and before I go any further,
A Happy New Year.

As suggested, we have decided to print our letter-heads
locally, but would like you to go ahead with the printing of
the envelopes. We have decided to stick with the one colour
and the format is as per the attached envelope, with both
Harry Jones' and Audrey Jones' names as return addressees, as
Harry will be receiving donations (hopefully!) and Audrey is
in charge of registrations.

I am attaching a list of names of people who should be
added to our mailing list in addition to the ones you already have.

As yet we have not received a postal box in the U.S. but
are still trying our hardest and as soon as we get one (or even
if we don't) I will be in touch with you as to where the envelopes
should be sent, (should we have a postal strike).

Hope this is clear to you.

Sincerely,

Alice

Dear Gwen.

Now that you have recieved the corrected copies of the letter heads, I would appreciate you sending me a few copies of such when you have them printed, so they will be the same for the National letter.

Since you have a Post Office Box on the U.S. side I was thinking it would be smart to have all packages mailed there, there by saving a great deal of money, for instance: twenty eight packages of fifteen hymnals would cost \$84;56 if mailed to Canada, as against sixteen packages of twenty five each would cost \$16;48 mailed in the U.S.

The same would apply to the envelopes, two cartons of 2,000 in each carton would cost \$8;63 each mailed in the U.S. as against \$15;71 mailed in Canada.

Gwen, when you mentioned about the preacher I got to thinking since the Rev. J. Humphrey Jones and Aeron Davies would be making the trip maybe either one of them could fill the bill for a special fee? just a thought.

Regarding the prices quoted for your various functions the replies I recieved were favorable.

Gwen, please let me know if you would like me to mail half of the hymnals the same time I mail your envelopes and the other half when I mail your second run of envelopes.

Have you contacted the President about his message that will go in your program, also have you decided whose pictures you would want to put in if any?

Sincerely

Dear Jack:

I am enclosing some letter-head for your use. Do you require any more?

Regarding the hymn books which you were discussing with Gwenfyl in your last letter - I assume you will be sending the remainder with the second lot of envelopes and that these will be sent, as before, to our Post Office Box in Custer.

Also, would you kindly let me know whether you wish us to send you the registration cards when they have been completed, and whether we should delete the names of people whose letters have been returned either due to their having moved or died.

Also, should our second letter be sent to everyone again, or just to those who have not replied? I hope this is clear to you.

Dear Alice.

In answer to your letter of 3-17-80, thank you very much for the letter heads which is quite suffice.

Regarding the hymnals I hope by now you have recieved them, the next mailing should be the same as the first, with the exception of those which have been returned to your committee.

When you think enough time has elapsed have Harry & Audrey Jones mail the returned ones to me so that I can delete them from the next mailing, by all means the complete mailing list should go out, and should be mailed some time in May, as the National letter has to be mailed by the end of June in order to comply with Articles-16 & 17 of the constitution.

Alice, I know you must be very busy but, a comprehensive progress report would be appreciated at this time so that I may keep the B.O.T. posted.

Wishing you and all your committee all the very best and ^{hope} Glyn is improving, as for myself I am a little better, the Dr say's my blood is holding up but I have to see him again on the 16th after seeing him on the 2nd for more tests, so I am keeping my fingers crossed.

4-7-80

Dear Alice.

After re-reading your letter of 3-17-80 and my answer, I omitted the part about whose pictures should or should not go in your program,

Well, to begin with it has been the custom over the years that the National officers namely: PRES, V. PRES, SEC'Y & TREAS, and many of the local committees who deserve to be recognized for all the hard work they put into the project.

I know as I have many times looked over the programs of the last fifty and seen the pictures of those who participated and have shown them to many, how proud they are when they see their picture (with name), so Alice, my own personal opinion would be to honor as many as possible by putting their pictures in the program, but the last word is with your committee.

If you decide to use the National officers let me know then I will notify them to send them to you.

all the very best.

Dear Jack,

Enclosed are the returned envelopes as requested so that you may update your mailing list.

I understand that Alice Thomson has requested a set of name and addressed labels as the B.C. Government is going to stand the cost of the second mailing. As we have ordered another set of envelopes from you these can be sent to us without the names and addresses as the second mailing is being taken care of.

The registrations are coming in quite nicely. Look forward to seeing you.

THE VANCOUVER GYMANFA GANU ASSOCIATION
welcomes you to the 49th Welsh National Gymanfa Ganu
on August 28, 29, 30 and 31, 1980.

April 29th 1980

Dear Gwen.

It was nice talking to you last Saturday (26th).

The Hymnals (200) eight packages, also two boxes of blank envelopes (4000).

In box marked #1 you will find the gum back labels (approx 3500) addressed, also a cut for my picture which I will pick up while in Vancouver.

The above are being mailed the same time as this letter so you can judge as to when they will arrive in Custer.

The difference in number from the last mailing is, I did not address your society members. Have not yet received any mail from Harry Jones or the progress report nor the Hymn tunes that will be used at the singing sessions, neither have I received President Mandry message, if I do not hear from him this week I will phone him.

Hoping this finds everyone in good spirits and good health as I am feeling pretty good myself but I am keeping my fingers crossed.

Pob Bendith.

Jack Meadows.

Dear Gwen.

Hoping by the time you receive this you will have received all the material that was mailed on the 29th of April: Hymnals, envelopes gum backed labels and my cut for the picture.

Having mailed a copy of the Hymn tunes to the hymnal committee and a copy of your progress report to the B.O T, and having received very little criticism of either report with the exception that "Rachie" is in twice.

Now Gwen, a thought came to me, since there are quite a number of the new hymn tunes, I was wondering if it would be possible to have a practice session, say on the Saturday night right after the concert, it was done in California in 1966 with Terry James and with a tremendous help, I'm sure the music would be willing to conduct a few numbers each, consisting of (Ann D Thomas, Morris Wrench, Olwen Welk, Lyn Harry and Ken Jones)

I called Dr Mandry concerning his message for your program, he said he had mailed it?

Hoping that every one is well and that you have not been affected by the St Helen's eruption.

Sincerely

Jack Meadows
