June 13, 1962

Dear
Friend:

Welcome to the 31st Annual National Gymanfa Ganu of the N.G.G.A. sponsored by the Utica Welsh American Day Committee AT UTICA, N. Y. AUG. 31-SEPT. 1 and 2, 1962, and the Seattle Regional Gymanfa Ganu, sponsored by the Seattle Committee JUNE 29, 30 and JULY 1, 1962, AT SEATTLE, WASHINGTON.

Time is getting short! In a matter of weeks, we will be
Host to the Great 1962 National Gymanfa Ganu.

There are innumerable things to be done-reservations, transportation, music, programming, etc., and not the least of which is financial support. We must canvass for donations and Program ads personally over the large Central New York territory; and to accomplish this we need your cooperation. Your name has been mentioned as one who we can turn to for help, doing this important job as you may have done in the past.

Since this is the largest Welsh endeavor our community has ever known, attracting 3,000 or more people, we feel most everyone will be more than happy to respond to a personal visit, with a good contribution or a program ad.

5,000 copies of the attractive 48 page program will give advertisers excellent coverage. 22 pages (6x9) will be available for patrons and ads, offered to advertisers as follows:

1/12 Page- \$10. 1/4 Page- \$25. 1/2 Page- \$50. Full Page- \$100.

Donations of any amount will be gratefully accepted from patrons, whose names will appear in the Program. However, with a budget of \$12,000. to meet, we have a great financial responsibility and must solicit our people with diligence and enthusiasm and must do it soon.

To this end, please attend a meeting to be held on June 19th, at Hotel Utica (7:30P.M.) at which time you will be given whatever share of this task you feel you can help us with. Feel free to bring those you know who may also help. They certainly will be welcomed.

We now face this challenge, not as a chore, but as an opportunity. We shall look forward to greeting you as a co-worker.

Sincerely,

Richard Hughes
President

William D. Williams
Finance Chairman
