Dear David:

I talked with Tom Brownfield a few weeks ago and he indicated to me that you would be receiving the registration soft ware used in Columbus, also the soft ware he used to plan the 1986 Gymanfa. I hope both prove to be helpful.

Regarding the enclosed letter and the updates. Would you be so kind as to send me minutes of your meetings, a copy of your budget and whatever other information you have that would help to keep me abreast with your plans, well before the Niagara Falls meeting. Diolch!

It always seems that St. David's day is the crest and that time seems to pick up speed from here on in. This of course means that you and I should make every effort to stay in close contact.

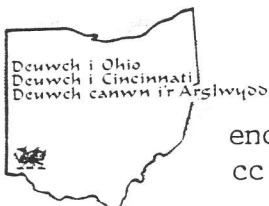

We need to make certain that the Cincinnati ad is in the hands of the Ontario folks in plenty of time to be printed in their book. You may already have taken care of this matter. Remember, there is no cost involved and the reason for this is that the Ontario '92 ad will appear in your book.

Will you please remember to feed me proof pages of your book just as soon as they become available. It will not be necessary to send pages devoted to commercial ads.

You were very kind to furnish a copy of the Hotel agreement and I thank you. Would you mind also sending me copies of other agreements which you probably have with the Choir, Director, etc. This also helps to keep me informed as to status.

I look forward to hearing from you.

Sincerely,
Nelson
