Dear Jack:

Your letter about the Philadelphia money is appreciated. Hope there are no other strings attached.

My worry now is the Ottawa Gymanfa. I hope we can lay down the law to Edwards that we want it to follow our custom of following the usual routine without having booze and other innovations at meals. Tell them that quality is what we expect.

Hope you are now really well. Best wishes.

Cordially

Dear Dave.

Since my supply of Welsh hymnals is getting rather low, I was wondering how many you anticipate in ordering for next year, the average has been around four to six hundred plus one hundre & fifty phonetics, of course if yk there is any left over you may return them but none has ever been returned yet.

I recieved confirmation of the rooms thanks to you, also a very nice menue brochure, now Dave, could you tell me if there are any tours of your city that my group may take if so would you mind sending me the address of such.

Hope every thing is working out for you and your committee, do not hesitate to ask if there is anything I can do to help.

sincerely yours

Jack Meadows

Dear Jack Meadows:

Thank you for the List of Officers of the Association and note the new members. Time marches on and there will be changes from time to time. I hope your return trip was a happy one and Jack Bach I never felt you needed a personal invitation to my Room at any time - it was the happiest time of my whole visit was to have you be a part of that very happy fellowship and which has been ours for so many years. When I recall Judge Jenkins (Old) how much he enjoyed himself those are the memories we like to keep. Ynte Jack bach?

I have been doing a bit of thinking along the idea of getting the Welsh People those of Welsh extraction and those married to Welsh people living in Evanston and along the North Shore to get them interested in to be members of the National Gymanfa Ass'n. Evanston is a City of 90,000 people and I find there are quite of a few people who claim Welsh background. Today people do not care to travel much especially at night and the idea occurred to me to try to have a get together on March 1st ~~Wednesday~~ ^{Thursday} next year. I have my Radio Program always on that day in the afternoon at 2:30. There are quite a few Welsh in Wilmette, Winnetka, Lake Forest and up to Waukegan all towns north of

Evanston along the North Shore. There is also the Northwestern University in Evanston who have a few of their staff of Welsh interests.

Let me know what you think of the idea. I will write David Mandry also. I could send a notice to the Evanston Review which is the only news Media covering the North Shore inviting any of Welsh Background to a Lunch on March 1st. You as the National Secty. could be there to address them or have Dr. Mandry attend with you. Both could do well.

The Cambrian Society of Chicago hold their Dinner always on the Saturday either preceding the March 1st or directly after so that Evanston or the North Shore could have the Luncheon on March 1st the exact Day.

Think it over and if you concur let me know.

David Mandry asked me to be Chairman of a Committee. He was going to write me.

Say Hello to your dear Wife for me.
