TO: Officers and Trustees of WNGGA

As I assume the Presidency of the National Gymanfa Ganu Association, I perceive the challenge before us as officers and trustees is to formulate a program to reach out to all areas of Canada and the United States and to all segments of the Welsh community. By working together we can increase our membership, gain more active participation by the members of the Association and establish a link with our Welsh youth which will provide the bridge to perpetuate our Welsh heritage and insure the future of our organization.

Organizations, like people, must at some point in their existence pause to determine where they have been, where they are now, and where they want to be. I believe we have reached that point. There is no better time than now.

As agreed upon at our last Trustees' meeting in Baltimore, I have appointed the following members of the committee to conduct such a survey and make recommendations to guide us in the future:

- David E. Thomas, Chairman
- Dr. Don Mills
- Iwan Edwards
- Dr. Ellis J. Jones
- Daniel W. Williams
- Thomas Brownfield
- Nelson L. Llewellyn, Secy.
- Mrs. Nancy L. Miller
- Miss Donna C. Davies
