MEMO TO:

ALL OFFICERS AND TRUSTEES:

Time rushes by rapidly and at last the listing of Officers and Trustees is now up to date and a copy is enclosed for your information. If for some unknown reason you should miss file your copy during the year, just let me know and another copy will be on its way to you.

The Kansas City Committee is moving right along with plans for 1992 and I expect to visit Kansas City for a meeting with Jack Nesbitt and his committee some time before the Holidays.

The Wilkes-Barre Committee are having monthly meetings and I will be making the trip to WB for meeting with this committee on Saturday of this week and will stay over for the Sunday Gymanfa which will be directed by one of our Trustees, Meirwyn Walters.

We have a traveling VP who some how is able to work in WNGGA visitations in his busy schedule. Ellis Jones has visited the 1994 Chairman, Alan Upshall the first two days of this month while in the state of Washington for a Church Secretarys Seminar.

Also of interest, to, Ellis will be in Dayton, Ohio later on in the month and will be making a visit to the National officeto assist with some computer program changes.

Also enclosed, is a copy of the letter which Roy Morris distributed in Cincinnati in regard to the directory project. Please pass this on to someone to help this project along. Diolch

Sincerely,

Nelson L. Llewellyn, Secretary

Dear Don:

Several items:

First, have you made a decision on the meeting of the Board of Trustees at the Ontario Gymanfa Ganu as far as exact date? I have already scheduled a meeting in New Jersey for Thursday, May 2, and need to know for sure if the Board meeting will be on Friday or Saturday so that I can book my flights.

Second, enclosed is a suggested plan for carrying out the functions of the Membership Committee. It has sections on Functions, on "Membership Areas," on "Committee Members," and Responsibilities for Chairperson and Members.

Last fall when you appointed Cerwyn, Alfred, and Myra to the Committee I indicated to them that we would be back in touch with them; however, I have felt that it would be better to have an overall scheme which would structure the work of the committee a little more precisely. Hence, the enclosed document.

Several weeks ago I did send materials to the Associated Welsh organizations which are life members of WNGGA encouraging membership recruitment in their meetings. At the same time I sent copies of those materials to the members of

Dr. Don Mills, February 15, 1991, page 2

the entire Board of Trustees along with a request that each of them (the Board members) do what they could to encourage memberships in any upcoming meetings which they might be attending.

Would you look over this proposal and let me know your reaction so that I know what I should be doing next. It will take a while to get geared up for an annual and on-going structured membership recruitment process.

- a. If the proposal needs any changes, what changes should be made.
- b. If the plan is satisfactory, do you want me to make contacts and then send the names to you for you to make the official appointment?

Finally, do have a Happy St. David's Day! Here at Gustavus, we are preparing for our 18th observance as you can see from the enclosed flyer which we have been distributing far and wide. Yes, we do anticipate another crowd of over 600 persons at the service--the largest one on that day in North America, I believe! I find it quite exciting because the College has its ethnic roots in Swedish Lutheranism--what better way to win the Vikings over to our side than by having them sing our hymns on our special day! Ha!

Take Care!

Sincerely,

Ellis J. Jones

P.S. On Thursday, April 11, I will be at a Church Secretaries Seminar in Dayton, Ohio; in order to receive a substantial airfare discount, I can't fly back to Minnesota until Sunday, the 14th. Hence, on the morning of Friday, the 12th, I will be driving to Warren to visit with Nelson--I will be returning to Dayton that same late afternoon. Just wanted you know the schedule.
