Subject: Alert #2

A suggestion for nationwide publicity -- begin compiling a list of national publications which serve travelers and persons interested in British/Welsh happenings.

We placed information (no cost) in National Geographic Traveler which resulted in several calls from all parts of the US.

A local author put me in touch with British Heritage and they seem interested in promoting next year's Welsh National (see enclosed letter).

Mr Jack Nesbitt,
Chairperson,
The Welsh National Gymanfa Ganu Association, Inc.,
██████████ Wildwood Drive,
Kansas City, MO 64133

Dear Mr Nesbitt,

Thank you for your letter of 14th July, addressed to Mrs Hujanir.

You had kindly offered to give out back issues of BRITISH HERITAGE at the 1992 "Welsh National Gymanfa Ganu Music Festival" that is to be held from 3rd to 6th September.

Our circulation department will be forwarding 200 copies of BRITISH HERITAGE, together with promotional material, to you before the end of the month. I had requested that issues containing articles on Wales be included, however, it would appear that all such issues are not longer available.

As you had mentioned in your letter, it is too late for information on the festival to be included in the magazine this year, however, we would certainly be pleased to include it next year. I would need press material and a small selection of photographs to be here by the middle of April 1993, in order to include it in "Chronicle of Events" August/September issue.

I thank you very much for offering to promote the magazine in this way and I hope that the festival is a great success.

Yours sincerely,

Christine E. Techky
