Dear Mr. Llewellyn,

It was a pleasure to talk with you yesterday about possible venues for the National Gynmafa Gann after our conversation in the elevator at Utica, N.Y.

My sister Alice and I said to ourselves, "Wouldn't it be great if -----?" and that is what led to our suggestion.

I believe I did initially tell you that the Secretary of St. David's Society was Robert Doble and then told you it was Goble. I'm writing to correct the latter.

He is Mr. Robert Doble

[redacted] Gladiola Drive  
Clarke Summit, PA 18411

Tel: [redacted] [redacted] - 3452

He would like to know how far in advance to plan for the Gynmafa and

the criteria required.

I suggested Philadelphia for the year 2000 because of the historical significance of the 1776 setting Philadelphia. But as I stated in our telephone conversation, there are not very many younger people that I'm aware of that would be available.

I suggested Scranton because of the various societies that combine their efforts and the fact that the area population made the October 14<sup>th</sup> Ozymandias Benefactor a passing success. St. David's did not flourish any chair, a fact that I may have misled you to thinking that that was the basis for the success. These ninety 7600 people were visitors only. I am enclosing articles regarding same for you.

With the years in between, perhaps an eastern venue might be possible at that time.

Good luck to you. Your dedication is so extremely appreciated.

Very truly yours,  
(Mrs) Eileen J. Jacy

Dear Mrs Jay:

Thank you so very much for your phone call and the message you left on the answering machine.

It was good to talk with you in Utica and learn of your interest in the possibility of a venue sponsorship in the area of Philadelphia some time in the near future.

We need to talk about this regarding a sponsoring organization such as a St. David's Society, a Gymanfa Ganu Association, a Women's Welsh Club etc. This is one of the essentials required in addition to the forming of a Venue Committee and also proper facilities in which to hold the various activities of a National Gymanfa Ganu.

At the present time there is a possibility that 1999 could be considered and of course 2000 and beyond except the year 2004 which will be our 75th anniversary and it is hoped that the 75th venue would be Niagara Falls, New York, the site of the first National Gymanfa Ganu.

I will try to reach you by the phone number you left on the answering machine which was 302/475-8410.

Thank you again for your support and interest.

Sincerely,

Nelson L. Llewellyn,

Dear Mr. Llewellyn,

Forgive my tardiness in not replying before to your help in getting copies of the 'Songs of The Dragon' to me. They arrived safely. Unfortunately in the christmas scirmage the invoice was lost and has yet has not surfaced among the post christmas clean-up! However I think I remember a figure of \$88 + so please find herewith a U.S. Money Order for \$90.

I have talked to one or two of our welsh friends regarding your request of consideration of a future National Gymanfa Ganu possibly here in London, Ontario. Unfortunately the problem has been and still is one of finance. We are not a strong group and would be unable to accept responsibility for a large outlay needed to host such a gathering.

My husband and I hope to be at the '94 gathering in Bellevue and look forward to meeting you.

The 'Songs of The Dragon' have been examined with interest and I hope the initial copies will generate some more orders.

With every good wish for 1994.

Sincerely,
