Mr Ellis J. Jones
[REDACTED] W. Jefferson
St Peter, Minnesota. 56082

Dear Ellis.

Enclosed please find copy of part of the minutes of meeting held in Cleveland Ohio Saturday Oct, 12th at 2:30.P.M. at which time Mr Perri became President so you will understand just exactly what transpired.

I don't know what he meant or had in mind when he said-his impression was that things were not running smoothly does he have an axe to grind with some one?.

Ellis, I believe I explained to you in the Dragon Hotel lobby what it takes to sponsor a national, a good working committee, a good hotel with a minimum of 400 rooms, a ballroom that will accommodate 1500 to 2000 theatre style or a suitable auditorium adjacent to the hotel, keeping in mind that an inspection would have to be made before final approval would be made.

Now Ellis for your information and off the record, if conditions are such, I may as part of my holiday's in the summer xxx be in the vicinity of Minneapolis then if the need be I will be able to give a report, and always remembering that I am always available for any help you may need.

Very sincerely

Jack Meadows
