

ELLIS HARRISON

HERITAGE

Ellis Harrison grew up in Newport where football was part of everyday life; at home, in the streets and across the community.

Caribbean food, music and family gatherings shaped the rhythm of his upbringing, building the confidence and energy that carried naturally into sport.

WALES MEANS...

PRIDE COMMUNITY GRIT

Newport has always been home. It shaped Ellis's mindset, honest, resilient and expressive.

Being Welsh and Black was never just one identity but many layers: community, culture, humour and hard work.

Those influences grounded him, teaching him to move between worlds while carrying where he came from with pride.

FOOTBALL

CONTRIBUTION

Ellis Harrison has played at the highest levels of professional football, representing Wales internationally and competing across top leagues.

Wherever football has taken him, he carries Newport with him, showing young players that local roots can lead to global stages.

STRENGTHS & JOY

Football has always been Ellis's natural language; a place where energy, discipline and passion come together.

“**SUCCESS COMES THROUGH
HARD WORK TALENT MAY OPEN
THE DOOR, BUT DISCIPLINE
KEEPS YOU INSIDE.
STAY HUNGRY, STAY TRUE TO
YOURSELF, AND NEVER
FORGET WHERE YOU CAME
FROM.**”
