

PASTOR ROBBIE HOWELLS

FAITH & RELIGION

HERITAGE

Robbie Howells grew up in a Jamaican household in Newport where Caribbean culture shaped everyday life.

Inside the home were music, discipline, family values and the famous “front room” where the record player and Jamaican traditions defined identity.

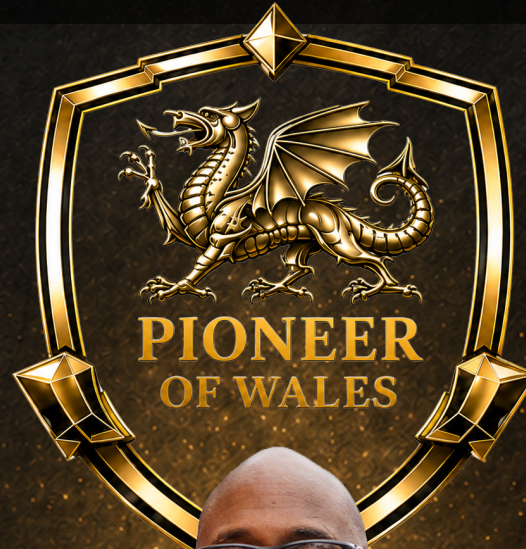

WALES MEANS...

PRIDE CONTENTMENT HOME

Born at the Royal Gwent Hospital in Newport, Robbie always felt Wales was home.

That feeling deepened when, as a young boy, he represented Wales in rugby, the only Black player wearing the Welsh shirt.

“ I BELIEVE IN SECOND CHANCES, THIRD CHANCES, FOURTH – DON'T WRITE OFF ANYBODY. ”

CONTRIBUTION

As a pastor, Robbie has spent decades walking alongside people facing addiction, prison, loss and family breakdown.

Through faith leadership, mentoring young people and creative work in music and film, he focuses on helping others rebuild their lives and realise their potential.

STRENGTHS & JOY

A natural encourager, singer and creative storyteller.

His greatest strength is inspiring others to believe their lives can change.

“ I DON'T STAND ABOVE PEOPLE, I GET IN THE TRENCHES WITH THEM AND SAY: WE'LL GET THROUGH THIS. ”
