Donald George 1928

24th March 2019. Esgairgeiliog / Ceinws.

Ray Gunn

Sony A6500.

Natural Resources Wales had the large fir trees felled from across the village as they were a danger to the main road, especially by Evans bridge. When they had completed, Ray Gunn was then able to photograph the picture he wanted from more or less the same spot that Donald George took in 1928. [90yrs apart].
