

LIVING SEAS
MOROEDD BYW
CYMRU

Name: Steve Hartley.

Date: 1984.

Location: Llanon, Ceredigion.

Title: Triggerfish in the pots, 1984.

Memory:

“I bought my boat, The Sulaire, in 1987, which I regularly fished off. However I also fished before this point. In 1984, between Aberaeron and Llanrhystud, I was pulling up lobsterpots which were full of trigger fish.

I remember them being a nightmare to get out of the pots, as they would grind their teeth!”
