### 1755-56 A few selected names:

Morgan Jones	St. Athan
Robert Lougher	St. Hilary
Richard Goyder	Penmark [we have a Deere marriage into this family and there were quite a few Goyders in the area at the time]

Whether John Deere of Welsh St. Donats is anything to do with the Penmark Deeres I do not know, but I note that William Deere of Rhoose had a son John to whom he left property in Welsh St. Donats in his will of 1677. However, he died 1685 St. Mary Church.
